With Smart Notes AI, you can:

Create organized notes in seconds.

Get AI-powered summaries of lengthy topics.

Save time while preparing for exams.

Revise smarter with personalized study assistance.

Whether you're preparing for exams or managing daily coursework, Smart Notes AI helps you stay productive and focused.

Ready to transform the way you study? Try Smart Notes AI today and take your learning to the next level!

#SmartNotesAI #EdTech #CollegeStudents

Iteration:

v1: Basic LinkedIn post.

v2: Added hashtags, word limit, and a stronger call to action.

Prompt #2: Instagram Caption for a New Product

Use Case: Create an engaging Instagram caption for a new product launch.

Techniques:

Role Prompting

Constraints

Template:

You are a creative social media manager.

Write an Instagram caption for the launch of {product_name}.

Product Details:

- Product: {product_name}
- Target Audience: {target_audience}
- Main Benefit: {main_benefit}

Constraints:

- Maximum 100 words
- Friendly and engaging tone
- Include 5 relevant hashtags
- End with a call to action asking followers to check out the product.

Sample Output:

✨ Meet GlowSkin Face Serum—your daily skincare partner for naturally glowing and healthy skin!

Packed with nourishing ingredients, it helps keep your skin hydrated, smooth, and refreshed every day. It's the perfect addition to your skincare routine.

Ready to experience radiant skin? Try GlowSkin Face Serum today and let your natural beauty shine! 💖

#GlowSkin #HealthySkin #SkincareRoutine #BeautyCare #GlowingSkin

Iteration

v1: Basic Instagram caption introducing the product.

v2: Added a clear call to action, five relevant hashtags, and a word limit to make the caption more engaging and suitable for Instagram.

Prompt #3: Blog Post Introduction

Use Case:

Write an engaging introduction paragraph for a blog post.

Techniques:

Role Prompting

Constraints

Context

Template:

You are a professional blog writer.

Write an engaging introduction for a blog on the topic "{blog_topic}".

Target Audience: {target_audience}

Purpose: {purpose}

Constraints:

- 100–150 words
- Start with a question or interesting fact.
- Use a friendly and informative tone.
- End with a sentence that encourages the reader to continue reading.

Sample output:

Have you ever imagined having a personal study assistant available 24/7? Artificial Intelligence (AI) is making this possible by transforming the way students learn and teachers teach. AI-powered tools can personalize learning, provide instant feedback,

simplify difficult concepts, and help students study more effectively. As technology continues to evolve, AI is becoming an essential part of modern education, making classrooms smarter and learning more engaging. In this blog, we'll explore how AI is improving education and why it is shaping the future of learning.

Iteration:

v1:

Wrote a simple introduction explaining the topic.

v2:

Improved the introduction by starting with an engaging question, using a friendly tone, and ending with a sentence that encourages readers to continue reading.

Prompt #4: Cold Outreach Email

Use Case:

Write a professional cold outreach email to introduce a product or service.

Techniques:

Role Prompting

Constraints

Context

Template

You are a professional sales representative.

Write a cold outreach email to introduce {product_or_service} to {target_audience}.

Include:

- A friendly greeting
- A brief introduction
- Key benefits of the product/service
- A clear call to action

Constraints:

- Keep the email under 150 words.
- Maintain a professional and polite tone.
- End with a thank-you note.

Sample Output

Subject: Simplify Your Studies with Smart Notes AI

Sample output

Dear Student,

I hope you're doing well!

I'd like to introduce you to Smart Notes AI, an intelligent study assistant designed to help college students take better notes, summarize lectures, and prepare efficiently for exams.

With AI-powered features, you can save time, stay organized, and improve your learning experience.

If you're interested, we'd love for you to try Smart Notes AI and see how it can support your academic journey.

Thank you for your time, and we look forward to hearing from you.

Best regards,
Smart Notes AI Team

Iteration:

v1:

Created a simple cold outreach email introducing the product.

v2:

Improved the email by adding a clear subject line, highlighting key benefits, and ending with a stronger call to action and thank-you note.

Prompt #5: Follow-up Email

Use Case:

Write a professional follow-up email after sending a previous email to a potential client.

Techniques:

Role Prompting + Context + Constraints

Template:

You are a professional sales representative.

Write a follow-up email to {client_name} regarding the previous email about {product/service}.

Include:

- A polite reminder
- Mention the previous email
- Highlight one key benefit
- Ask if they have any questions
- End with a professional closing

Constraints:

- Maximum 120 words
- Friendly and professional tone

Sample Output:

Subject: Just Following Up on Smart Notes AI

Dear Rahul,

I hope you're doing well.

I'm writing to follow up on my previous email about Smart Notes AI. I wanted to check if you had a chance to review it.

Smart Notes AI helps students save time by creating AI-powered summaries and organizing notes efficiently.

If you have any questions or would like a quick demonstration, I'd be happy to help.

Thank you for your time, and I look forward to hearing from you.

Best regards,
Smart Notes AI Team

Iteration:

v1:

Created a basic follow-up email.

v2:

Improved by mentioning the previous email, highlighting one key benefit, and ending with a polite invitation for questions.
